## Welcome Optisave LLC!

We are pleased to announce that [Optisave LLC](#) has joined the BDO Alliance USA effective January 1, 2018. Based in Grand Rapids, MI, Optisave is a nationwide provider of IT cost reduction and performance improvement solutions. Over the past 16 years, Optisave has completed more than 300 engagements in top healthcare provider systems, producing more than \$750M in combined savings.

Serving hospitals, health systems, higher education, financial services, retail, and manufacturing, Optisave utilizes a proprietary process to achieve cost savings, performance improvement and practice leadership in IT. They help organizations assess and prioritize opportunities, and then implement performance improvements.
